10 NOV 2008

Esteemed Prime Minister Sir,

I take this liberty to impinge upon your valuable time and to bring to your kind notice the grievances of the Paramilitary Forces Retired Officers regarding disparities in pension of pre-2006 and post-2006 retirees arising as a consequence of the clarificatory OM dated 3rd October, 2008. A copy of their representation in this regard is enclosed herewith.

Clarification vide O.M. dated 3rd October, 2008 on O.M. of DOPT dated 1st September, 2008 has changed the intent of para 4.2. of O.M. under reference, as also the recommendations of 6th Central Pay Commission. This has created following two major disparities for Pre-2006 pensioners:

- A substantial financial loss to pre-2006 pensioners compared to the similarly placed post-2006 pensioners.
- A pre-2006 pensioner who retired from a higher post or pay scale would get less pension than a Post-2006 pensioner retiring from a junior post with lower pay scale.

This disparity is causing widespread concern amongst pre-2006 pensioners. I shall be grateful if you kindly direct that their request is considered sympathetically.

With profound regards

Yours sincerely,

(Pawan Kumar Bansal)

Shri Manmohan Singh
Hon'ble Prime Minister of India,
New Delhi.
